

Aviation Limited Warranty

All Archangel Systems avionics products are warranted to be free from defects in materials or workmanship for: two years from the date of purchase for new TSO'd products; one year from the date of purchase for any purchased newly-overhauled products; six months for newly-overhauled products exchanged through Archangel Systems; and 90 days for factory repaired or newly-overhauled products exchanged at Archangel Systems in lieu of repair. Within the applicable period, Archangel Systems will, at its sole option, repair or replace any components that fail in normal use. Such repairs or replacement will be made at no charge to the customer for parts or labor, provided that the customer shall be responsible for any transportation cost. After examining and testing a returned product, if ASI concludes that a returned product is **not** defective, Customer will then be notified, the product returned at Customer's expense, and a charge made for examination and testing. This warranty does not apply to: (i) cosmetic damage, such as scratches, nicks and dents; (ii) consumable parts, unless product damage has occurred due to a defect in materials or workmanship; (iii) damage caused by accident, abuse, misuse, misapplication, improper calibration by customer, water, flood, fire, or other acts of nature or external causes; (iv) damage caused by service performed by anyone who is not an authorized service provider of Archangel Systems; or (v) damage to a product that has been modified or altered without the written permission of Archangel Systems. In addition, Archangel Systems reserves the right to refuse warranty claims against products or services that are obtained and/or used in contravention of the laws of any country.

THE WARRANTIES AND REMEDIES CONTAINED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY LIABILITY ARISING UNDER ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, STATUTORY OR OTHERWISE. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, WHICH MAY VARY FROM STATE TO STATE.

IN NO EVENT SHALL ARCHANGEL SYSTEMS BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM THE USE, MISUSE OR INABILITY TO USE THE PRODUCT OR FROM DEFECTS IN THE PRODUCT. SOME STATES DO NOT ALLOW THE EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

Archangel Systems retains the exclusive right to repair or replace (with a new or newly-overhauled replacement product) the product or offer a full refund of the purchase price at its sole discretion. SUCH REMEDY SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY.

Third Party Purchases: Products purchased through online auctions or third parties who are not authorized Archangel agents are not eligible for warranty coverage. Online auction confirmations are not accepted for warranty verification. Archangel Systems will

not replace missing components from any package purchased through an online auction or from an unauthorized third party.

International Purchases: A separate warranty may be provided by international distributors for devices purchased outside the United States depending on the country. If applicable, this warranty is provided through the local in-country distributor. Distributor warranties are only valid in the area of intended distribution. Devices purchased in the United States or Canada must be returned to the Archangel Systems service center in the United States for service.

To Obtain Warranty Service, please complete these two easy steps:

①

Contact Archangel Systems Technical Support to receive an RMA number.

Aviation products require an authorized person to return the aircraft system to service after product repair. Please arrange RMA's through Authorized Archangel Systems Aviation Service Centers.

Call or e-mail Archangel Systems Technical Support Specialists (see below) to describe the problem you are experiencing and request a Return Material Authorization (RMA) tracking number. You will need to provide the unit's serial number, your return shipping address, and a daytime telephone number.

Phone: 334-826-8008

Fax: 334-826-8038

E-mail: [Tech Support](#)

②

Ship the unit, along with the RMA number, to Archangel Systems.

Once you have received the RMA number, ship the unit (insured) to the following address. (The RMA number **must** be written on the outside of the package). It is preferable to return the product using the original packaging.
